Terminal Update – Coming Soon

Free Play Winning Tickets

A Player is **NOW** able to add an Extra to their Free Play Ticket on the SST

1. Ticket is placed in the Ticket Scanner
2. A pop-up will give the Player the option to add Extras to their Free Play Ticket
3. Player selects the amount of Extras they want and tap **Add to Cart**

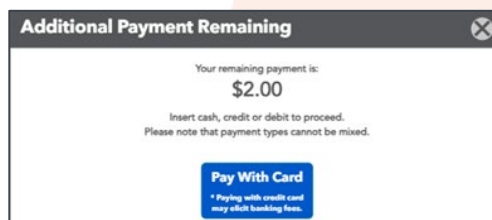

4. If there are sufficient funds in the Player's Wallet, the Ticket will be added to Player's Cart and **automatically print**.

OR

If there are insufficient funds in the Player's Wallet, the Ticket will be added to the Player's Cart. Player taps:

- **Return To Cart → Checkout → Play Selections**

Additional Payment pop-up appears, prompting the Player to **insert Cash** or **Pay with Card**. Once completed, **Ticket will print**

Clear Cart Function

Previously, Players would have to delete line items one at a time. There is now a **Clear Cart Function**.

1. Player navigates to **My Cart**
2. To delete all line items, the Player taps **Clear Cart**
3. A pop-up will give the Player the option to clear the cart, they can either choose **Cancel** or **Clear**

Keno Pattern Play purchase simplified

Players will have an easier purchase journey of Keno Pattern Play Tickets. With the update, a redundant step has been eliminated.

- Please note that Rows & Columns will not reflect this change
