How to use the Selection Slip Slot Cover

This cover will decrease the number of Selection Slips slots in the Lottery Table from 15 slots to 10 slots to support the streamlined display of the new Selection Slips.

1. Remove all the old Selection Slips from the Lottery table and recycle responsibly.
2. Insert the Selection Slip Slot Cover into the bottom row on the table.
 - The white side with the slits goes into the table, and the blue side faces you.
 - Push the cover all the way into the table.
3. New Selection Slip Planogram will be provided. Please follow the Planogram instructions on how to display the new Selection Slips.

1 Before
