Questions & Answers

Can I enter for both the Early Bird *and* the Hands-On Training Event Draw Prize?

Yes! You can participate in both the Early Bird Prize Draw (\$100 E-Gift Card) and the event Prizing (eg. E-Bike, Apple Watch, E-Gift Cards up to \$500). Please only sign-up for one Early Bird ticket per person. If you are registering on behalf of your employee, please register using their name, as you will **not** receive multiple prize draw entries yourself. **Participants can only win one (1) Prize per incentive.** Please see Terms and Conditions for details.

How will winners be contacted?

BCLC will call or email the winners directly (Note: A signed waiver form is required for E-Bike winners). E-Gift Cards will be emailed to winners in the form of an Award Code through the Awardco platform, with instructions on how to redeem.

How many Prizes are there for each incentive? What are the winning odds?

Prize availability and winning odds depends on the number of Entries received. Please see Terms & Conditions below for eligibility and details of each incentive.
