New Selection Slips

Old Selection Slips do not work on the new Lottery Terminal. This Information Sheet provides guidance on distinguishing between new and old Selection Slips. It also includes Planograms to assist you in displaying them correctly.

Use New Selection Slips

- Old Selection Slips **do not** work on new Lottery Terminal.
- If Players present an old Selection Slip, they must complete a new one and can save it for future use.

Use Blue or Black Ink Pen

- Selection Slips can only be filled in using a pen with **black or blue ink pen**.
- Using a pencil or light-coloured pens will not work with the new Lottery Terminal.
