

# Prize Redemption

## Commission

### Is Now...

# 2%

commission on prizes paid out, including Free tickets!

## Why this is great for your business?

Every time you pay out a prize, you earn more money.

Greater player experience leads to repeat customers.

Players are more inclined to reinvest their winnings back into the store.

The expectations of our players are increasing, therefore it's critical to your business, and ours, that we continue to find ways to engage and delight our players. This increase in Prize Redemption Commission demonstrates our commitment to supporting your business, as well as our continued desire to meet the needs of our players.
