HOW IT WORKS

Execution Excellence will account for **10% of half your total bonus earned.**

Over the calendar year, your BCLC Territory Manager will perform Execution Excellence surveys during their regularly scheduled visits. Accounts will receive between 2 to 6 regularly scheduled visits and each visit will be worth 5 points.

At the end of the year, BCLC will review the total of all Execution Excellence surveys to determine the reduction percentage (applied to half your Total Bonus payout), based on the below information:

- 0-3 point deductions = Zero reduction
- 4-5 point deductions = 3% reduction
- 6-7 point deductions = 5% reduction
- 8 or more point deductions = 10% reduction

Maximum reduction for Execution Excellence will be capped at \$1,500. Minimum reduction will be set at \$50.

It is illegal to sell lottery products to anyone under 19 years of age. BCLC’s ID25 policy increases the level of due diligence that retailers must perform to ensure lottery products are not sold to minors.
