

# Scotch-Brite Cleaning Pads

## Cleaning Instructions

The following instructions outline the proper usage of the Scotch-Brite Cleaning Pad, and specifically which surfaces it can and cannot be used on.

### INSTRUCTIONS:

1. Cut the Scotch-Brite pad in half. Extend its usage - use half at a time.
2. Spray 'Multi-Purpose Cleaner' onto the affected area of the surface.
3. Use Scotch-Brite pad to scrub affected area. Scrubbing will leave a foam residue.
4. Use paper towel or a cloth to clean off residue.

**ONLY USE ON:** solid surfaces or countertops (see page 2 for photos)

### DO NOT USE ON:

- Lottery equipment
- Display cases
- Wood or laminate surfaces such as interior doors or cupboards
- Monitors or screens of any kind
- Plexi-glass
- Metal or stainless-steel surfaces
- Selection slips holders

Using the Scotch-Brite pad on the above items will scratch the surfaces.

Request on your regular call day.
