Lottery Prize Claims Over \$2,000

QUESTIONS & ANSWERS:

Q: Is it mandatory for high value prize winners to have their names and photos published?

A: Effective July 5, 2021, it is voluntary publicity for prize claims up to \$24,999; whereas, it is mandatory publicity for prize claims \$25,000 and over.

Q. Why does BCLC publish information about lottery winners?

A. It all comes down to transparency and integrity. We want to be transparent with the public and all lottery players; as well as to promote the integrity of our games, promotions and contests by demonstrating BCLC pays out to the rightful winner.

Q: Why has BCLC decided to increase the Regional Prize Payout Centers' payout threshold?

A: Regional Prize Payout Centers previously had the ability to payout up to \$9,999.99. Increasing their threshold to \$24,999.99 improves the player experience by having the ability to claim higher prize amounts at a payout center nearby.

Q: When will the new prize payout thresholds be posted on the Retailer Manual on BCLC's Retailer Hub?

A: Section 6.1 - Ticket Validation of the BCLC Lottery Retailer Manual will be updated aligned to the tentative change date of July 5, 2021.

REMINDERS

- All lottery tickets must be validated through an Altura lottery terminal in order to pay out prizes.
- Please check that the lottery ticket has been signed before validating any lottery ticket. If a lottery ticket is not signed, please return the ticket to the customer to sign or print their name on the front or back.
- After validating a ticket, always return the original ticket, the validation slip and the prize (where applicable) to the player.
