\$3 Christmas Cashword

How to Play

Scratch all of the YOUR LETTERS; then scratch all of the letters found in both puzzles which match the YOUR LETTERS, regardless of color. (For example, if you find the letter A in the YOUR LETTERS, scratch every letter A in both puzzles.) If you have uncovered enough black and red words in both puzzles, you win the corresponding prize found in the PRIZE LEGEND FOR BOTH PUZZELS according to the number of uncovered black and/or red words.

ADDITIONAL CASHWORD DETAILS:

- ✎ Letters combined to form a complete “word” must appear in an unbroken horizontal or vertical sequence of letters within the puzzle from top to bottom or left to right.
- ✎ Only letters within the puzzle that are matched with the YOUR LETTERS can be used to form a complete “word”.
- ✎ In the puzzle, every lettered square within an unbroken horizontal or vertical sequence must be matched with a YOUR LETTER to be considered a complete “word”. Words within words are not eligible for a prize. (For example, if in the puzzle there is a sequence as shown to the left all of the YOUR LETTERS S,T,O,N,E must be revealed in order for this to count as one complete “word”. TON, ONE or any other portion of the sequence **STONE** would not count as a complete “word”.)
- ✎ A complete “word” must contain at least three letters.
